

THE
NIGHT STALKER ASSOCIATION
PROUDLY PRESENT THE 12TH ANNUAL

**NIGHT STALKER
TEAM
BASS TOURNAMENT
APRIL 24th 2010**

Greetings!

We are contacting you on behalf of The Night Stalker Association and the Night Stalker Foundation in an effort to solicit your support. We are 501(c)19 and 501(c)3, tax exempt organizations based in Oak Grove Kentucky – just outside of Fort Campbell, KY. The overarching purpose of both the Association and Foundation is to support the Night Stalker Soldier and his Family: this object becomes the touchstone for National and Chapter decisions, actions, and activities.

On April 24th 2010, we will be having our 12th Annual Bass Fishing Tournament. As an added incentive we also have drawings for door prizes for the participants of the tournament. We are asking for your support of our organizations. Any monetary contribution or merchandize that your business would be willing to donate would be greatly appreciated. We will gladly advertise your business during this event and we will post any banner or flier that you may provide to us. This event is open to both civilian and military personnel, attracting more than 800 participants and spectators from the South East region.

All the money raised in this tournament goes directly to the Nightstalker Association Fund for Children with Terminally Ill Diseases and the Night Stalker Foundation for Children of Fallen Night Stalkers Scholarship Fund. Together these organizations provide support to the Soldiers and Families, both current and retired, of the 160th Special Operations Aviation Regiment, also known as “The Night Stalkers”.

The tournament is run solely by volunteers and is supported by numerous area individuals and companies. This event started in 1998 when a Soldier in the 160th Aviation Life Support Equipment (ALSE) shop with a terminally ill child had a financial need during an unimaginably trying time in his Family's life.

The tournament consistantly attracts a number of sponsors, but with Soldiers being deployed all around the world, we feel a strong need to expand this year's effort. Your generosity would be greatly appreciated and also **tax deductible!** Please contact the personnel below for questions or donations. Thank You for your support to the Night Stalkers and their Families.
